When client selects their materials they will be advised of the following procedure:

- Selected material will be held for a period of TWO WEEKS.
- If after two weeks the material is not invoiced out to a stonemason and is still required to be held, a deposit PER SLAB will need to be paid to extend the hold period to 6 weeks from the date slabs first placed on hold.
- If client does not wish to pay the deposit, the slabs will be released for sale to other clients.
- This deposit amount is not allowed to be placed on the account of a stonemason, payment needs to be received by CDK Stone.
- After the 6 week period, slabs will need to be paid for in full or invoiced out to stonemason.
- The deposit paid will be deducted from the invoice created for their stonemason.
