When client selects their materials they will be advised of the following procedure:

- Selected material will be held for a period of TWO WEEKS.
- If after two weeks the material is not invoiced out to a stonemason and is still required to be held, a deposit PER SLAB will need to be paid to extend the hold period to 6 weeks from the date slabs first placed on hold.
- If client does not wish to pay the deposit, the slabs will be released for sale to other clients.
- This deposit amount is not allowed to be placed on the account of a stonemason, payment needs to be received by CDK Stone.
- After the 6 week period, slabs will need to be paid for in full or invoiced out to stonemason.
- The deposit paid will be deducted from the invoice created for their stonemason.

Please do not hesitate to contact our stone sales staff for further information or should you wish to discuss this policy.
