

Parental Support Framework

We are excited to announce the enhancing of our current parental support framework with the introduction of Paid Parental Leave effective immediately. This will further support our CDK Family from the moment they begin the journey of starting a family, right through the rest of their career with us.

Paid parental leave

CDK Stone will ensure our employees receive their full salary including superannuation for a period of up to 12 weeks for the primary carer or 2 weeks for the secondary carer. CDK Stone will ensure our employees receive their full wage during this period, regardless of their eligibility for government payments.

No Means Testing

This program is available to all staff regardless of salary or asset level.

Qualification period

Pro rata access to this program is available after 6 months of continuous employment, with full access becoming available after 12 months of continuous employment with CDK Stone.

Dedicated Team of Advocates

An Employee Representative Group has been formed to provide advice or act on your behalf where needed.

(Entitlements will be implemented retrospectively to July 1st 2022)
